

A vibrant Halloween-themed illustration. In the center, a large, glowing orange full moon serves as a backdrop. Several black bats with red eyes are flying across the dark purple night sky. To the left, a gnarled tree branch extends into the frame, with a spiderweb and a small black spider hanging from it. In the background on the right, a dark, multi-towered castle with glowing orange windows sits atop a hill. In the foreground, a large, carved jack-o'-lantern with a classic triangular face glows with a warm orange light. To its left is a smaller, smiling jack-o'-lantern, and to its right is a black cat with large yellow eyes, wearing a purple witch's hat with a gold buckle. A white ghost with large black eyes and a small open mouth floats behind the large jack-o'-lantern. A glowing lantern is visible on the far left. The entire scene is framed by a thick orange border.
